

Tour of Duty LIVE!

Military wives face unique challenges in all stages of deployment. As husbands travel to new places and face new terrains, military wives must navigate their own tour of duty. But they don't have to do it alone.

Join Sara Horn, founder of Wives of Faith and author of the popular LifeWay Bible study, *Tour of Duty: Preparing Our Hearts for Deployment* for a weekend that will give you hope, encouragement and time to slow down and focus on God's grace and love. You are not alone.
